Rear Elevation
Shown in Timber

You enter this home through a spacious entry with high vaulted ceilings that continue into the living room and rear porch cover. With options to build a 1715 or 1858 square foot home, the Aspen is laid out efficiently and makes good use of any sized lot. The large master bathroom features his and hers sinks, and a large walk-in closet. The kitchen opens into the dining space and has views of your property's side yard. The Aspen offers you the option for a three-car garage, providing ample space for storage and hobbies.
